Dear Mr./Mrs. Hui Sun,

We are writing to you on behalf of the Congress Organizing Committee of ICSEMIS 2016 – International Convention on Science, Education and Medicine in Sport, to cordially invite you to participate in this meeting. ICSEMIS 2016 is a multi-disciplinary, professional conference aiming to bring together experts from all over the world in professional and academic sectors linked to sports science and education, providing an important interaction and a unique opportunity for exchange of information, accomplished through various activities.

The Congress will be held at the Mendes Convention Center, Santos, São Paulo, Brazil, from August 31st thru September 4th, 2016. Students and Professionals from sport science will present their research in sport medicine and health sciences.

The Congress intends to promote knowledge and integration in sport science, the exchange in clinical, health and pedagogic information and to encourage multidisciplinary networking among researchers.

We are expecting the event to be exciting and engaging. We hope that you are able to accept this invitation.

We look forward to seeing you in Brazil.

With kind regards,

Soraya Soubhi Samail  
Congress President
